Tuya Locks - Web Control - Phase II

02/09/2022 06:52 AM - Sieu Ngo

Status:	New	Start date:	02/09/2022
Priority:	Medium	Due date:	
Assignee:	Michael Milliron	% Done:	0%
Category:		Estimated time:	0.00 hour
Description Description will most likely be continually updated - esp once we start using the tool. For Now: Support RFID: One per employee - populates to all locks based on the hotels they have listed. And WebUI will tie a specific RFID to a specific room where user unable to use keypad.
