Concrete:
4.44 cubic yards - 48x7.5 slab
1.19 cubic yards - extra 8" on footing at 1' wide
0.37 cubic yards - 10 peers, 12x12x12
Total of 6 Cubic Yards
Concrete Truck can hold 8, so we should be fine. Not sure where we could use extra concrete.

From Kim:
Perkins Cinders
189/yard
\$1229.60 taxes included
they can deliver as early as tomorrow,
